OSU’s College of Agricultural Sciences and Natural Resources is committed to providing students depth of knowledge in their chosen fields of study, as well as breadth of knowledge outside their majors.

CASNR’s academic programs prepare students to analyze information, communicate effectively, think critically, solve problems and assume leadership roles in their respective fields of study. CASNR’s faculty members strive to not only help students in their academic pursuits, but also to assist in their total student development from the transition to college and selecting a major to developing leadership skills and preparing career and life plans.

The College of Arts and Sciences is OSU’s largest and most diverse academic college, with options in everything from art to zoology. Its faculty are leaders across a range of fields, representing life, physical and mathematical sciences; fine arts and humanities; social sciences; and media and strategic communications.

Undergraduate research, study abroad and internships enhance classroom experiences to prepare students for graduate study as well as careers in corporations, government and education. Arts and Sciences provides universitywide advising for health professions and law.

In the College of Education, Health & Aviation, nearly 100 percent of students graduate with practical experience. With a variety of majors and study options, the college will help prepare students for fulfilling careers that enrich the lives of others.

The College of Education, Health & Aviation has more than 15 major-specific student organizations that help develop professional skills and provide connections for life. Students are advised by professional staff throughout their undergraduate career and an in-office Career Services adviser is available to help students achieve their career goals.
College of Engineering, Architecture & Technology
405-744-5276 | ceat.okstate.edu

The College of Engineering, Architecture & Technology is Oklahoma’s largest such academic college. CEAT’s undergraduate students are among the best in the nation, as evidenced by their strong performance and numerous championships in national design competitions.

The Unmanned Aerial Systems (UAS) program in the Mechanical and Aerospace Engineering department is ranked second in the nation by SuccessfulStudent.org, emphasizing the vast research opportunities and outstanding facilities. Architecture professionals ranked OSU’s architecture program among the nation’s top 20, according to DesignIntelligence magazine.

College of Human Sciences
405-744-5053 | humansciences.okstate.edu

The College of Human Sciences offers major options that lead to careers students will enjoy while allowing them to make a difference. Academic programs combine theory with hands-on learning. Students benefit from outstanding faculty, comprehensive student services, a strong scholarship program and a culture where students feel at home.

Strong internship programs allow students to solidify career goals and gain professional experiences before graduation. Undergraduate research opportunities, study abroad programs and leadership development enhance the learning experience. The College of Human Sciences is a great place to be at Oklahoma State University.

Spears School of Business
405-744-2772 | spears.okstate.edu

The Spears School of Business provides the tools for students to pursue their passion and emerge as leaders. Whether their interests lie in sports, banking, technology or innovation, fundamentals learned from each Spears department make these endeavors attainable.

The Spears School of Business recently completed construction on its new facility. The building will provide a dynamic educational environment, creating an identity and a unified space for its staff, faculty — and especially its students. The future is now at the Spears School of Business.

Get Started!

Apply for Admission

Seniors can apply today from 10:30 a.m. - 2:30 p.m. in 219 Student Union. The process takes about 20 minutes and admissions representatives will be available to answer any questions you might have.

Admission requirements can be found on page 10.

Your OSU application is also the application for scholarships and financial aid and The Honors College. Honors consideration is based on GPA and ACT or SAT scores.

For more information, visit honors.okstate.edu.
Complete Your Next Steps!

Residential Life

All OSU freshmen must live on campus and can choose either traditional halls or suite-style housing. Signing up for housing at OSU is a two-step process.

You can visit the Classroom Building today to complete your housing application online at reslife.okstate.edu. This form is step one of the process. You’ll choose your preferred housing style, complete a personality profile and choose your roommate.

Starting in April, for step two, you’ll receive an email to log in and choose a specific room.

For additional details on the roommate selection process, contact Residential Life at 405-744-5592.

New Student Orientation/Camp Cowboy

You can sign up for your orientation and Camp Cowboy dates today in the Classroom Building. New Student Orientation and Enrollment programs are your introduction to life as an OSU student. At these summer programs, you will:

• Enroll in your classes.
• Meet with your academic adviser.
• Get your student ID.
• Meet other future Cowboys.

All new students are required to attend New Student Orientation.

Classroom Building, 4th Floor

10 a.m. - 2:30 p.m.
What You Need to Apply

1. Completed online application
2. $40 nonrefundable application fee (or fee waiver)
3. Official high school transcript
4. Official ACT/SAT test scores

Ways to get in...

Comprehensive Review
We individually review each application for our holistic and alternative admission programs.

We consider many factors including high school GPA, ACT or SAT scores, responses to application essays, academic letters of recommendation, leadership experience, community involvement and accomplishments.

Assured Admission
- 3.0 unweighted cumulative GPA or better AND top 33.3% rank in high school graduation class, OR
- 3.0 GPA or better in 15-unit core AND 21 ACT/1060 SAT or better, OR
- 24 ACT/1160 SAT or better.

OSU does not consider the writing component of the ACT/SAT for admission criteria listed above. SAT scores indicated here represent tests taken on or after the National March 2016 test.
Important Dates & Deadlines

**Oct. 1:** The 2018-2019 FAFSA (Free Application for Federal Student Aid) opened Oct. 1. Seniors should complete the FAFSA (FAFSA.org) as soon as possible to be considered for the most financial aid.

**Dec. 1:** Housing application opened for admitted students.

**Feb. 1:** OSU priority application deadline for scholarship consideration.

**Feb. 1:** Registration for New Student Orientation & Enrollment opens for admitted students.

**May 1:** Deadline to accept many OSU scholarships and some federal aid. Deadline to cancel housing to have part of your deposit returned.

**July 1:** Final deadline for official test scores and transcripts for scholarship consideration.

For cost of attendance and information about our scholarships and financial aid, please visit [financialaid.okstate.edu](http://financialaid.okstate.edu) or refer to pages 12-13.
