"Faculty make the difference in academics at Oklahoma State University. We have more than 200 degree options supported by passionate and experienced faculty. It’s really cool when a professor kicks off a Monday lecture by recapping an international conference where he was the keynote speaker. My professors challenge me to apply my classroom education to real-world situations, so I know I’ll be ready for my first real job. They’re available for a quick question or to give advice about an internship. I know I’ll leave OSU with a quality education and mentors who will always be there for me."

— Justin Yearwood
Strategic Communication
“THE OSU HONORS COLLEGE does not necessarily offer a more difficult academic path, but IT CHALLENGES YOU IN A DIFFERENT WAY. My involvement in The Honors College has greatly impacted my college experience; I have had SMALLER, DISCUSSION-BASED CLASSES, EXCITING RESEARCH OPPORTUNITIES AND A LOT OF SUPPORT FROM MY HONORS ADVISER. My Honors College classmates are just as academically driven and goal-oriented as I am, so it has been a stimulating experience to share classes with them throughout my time at Oklahoma State.”

— Olivia Snellgrove
Russian Language and Literature
"OSU athletics is something you just have to experience for yourself. There’s nothing like being in Gallagher-Iba Arena or Boone Pickens Stadium with thousands of other students cheering on the Cowboys and having a blast! I also love that we have the most national championships in the Big 12 Conference. Most athletic events are free to students with your student ID, so it’s easy to be part of OSU’s winning traditions."

— Megan Brooks

"OSU OFFERS A LOT OF HOUSING CHOICES," and I loved my time in Kerr-Drummond. I have always felt at home in the residence halls because **THERE IS ALWAYS A FRIEND IN THE LOUNGE OR DOWN THE HALL READY TO STUDY OR HANG OUT.** Campus dining provides a convenient way to meet and eat with friends, or grab something quick on the way to class. **I HAVE EVERYTHING I NEED RIGHT HERE ON CAMPUS.**

— Jennifer Payne
Elementary Education
“Many students think that they won’t be able to afford college. This couldn’t be more wrong. **With more than $300 million given out in scholarships and financial aid, there are lots of ways to reduce costs at Oklahoma State.** The Office of Scholarships and Financial Aid helps us take advantage of all of them. The staff has played an important role in helping me to graduate debt free by providing academic scholarships and encouraging me to find an on-campus job.”

— Matthew Roche  
Human Resource Management
“From America’s Greatest Homecoming Celebration to Pistol Pete and the Waving Wheat at football games, OSU has many traditions that make it stand out from any other school in the nation. **HOMECOMING IS AN ENORMOUS DISPLAY OF THE PASSION OF STUDENTS AND ALUMNI ALIKE.** With events like Walkaround, the Harvest Carnival and the parade, homecoming is a weeklong celebration of Oklahoma State University and the Cowboy Nation.”

— Jeffrey Hendrickson

"When I came to college, I was shy, but my campus involvement helped me break out of that shell. Once you find a place to get involved, it's almost impossible to quit there. One opportunity almost always leads to another. With more than 450 clubs and organizations on campus, it is easy to find somewhere to get involved. I have made some of my best friends through activities on campus, proving that education and friendship are what a college experience is all about."

— Scott Blankenship

COMING FROM A SMALL TOWN, STILLWATER HAS BEEN THE PERFECT TRANSITION FOR COLLEGE LIFE. It is the best of both worlds. It is a small, tight-knit community for us small-town kids, but with a large and diverse student population, students from larger cities can feel comfortable here, too. I love spending time at Boomer Lake or getting Eskimo Joe’s famous cheese fries with my friends! STILLWATER HAS BECOME MY HOME AWAY FROM HOME.”

— Chelsea Thompson

LOYAL AND TRUE
“MY FAVORITE OSU MEMORIES ARE ALL ABOUT THE PEOPLE, especially meeting my husband, David. THE PERSONAL ATTENTION I RECEIVED FROM MY PROFESSORS WAS EXCEPTIONAL, and they prepared me well for my career as a Certified Public Accountant. We love visiting Stillwater with our family for Homecoming and other events to catch up with friends from our college days and to meet other Cowboys. ATTENDING OSU IS LIFE CHANGING, and if you are willing to invest yourself in studies, activities and friendships, YOU WILL BE REWARDED FOR A LIFETIME.”

— Sharon Trojan

Oklahoma State, 1976
“My friends and I have explored Czech and Slovakian forests, lounged on beaches in Italy and Spain, and climbed mountains in Morocco, all through our OSU study abroad experience.

**AFTER SPENDING A SEMESTER OF TRAVELING, LEARNING AND GROWING, I’VE SEEN HOW VALUABLE STUDYING ABROAD CAN BE.** I’ve adapted to several new cultures while still retaining my sense of self and general love of Oklahoma. The wonders that I’ve seen, the activities I’ve pursued, and most importantly, **THE RELATIONSHIPS THAT I’VE FORMED, HAVE CHANGED MY LIFE FOREVER.**”

**Not sure what you want to study? You aren’t alone.**

OSU provides special advising for students who are undecided on an academic major.
The College of Human Sciences is home to OSU's nationally ranked Hotel and Restaurant Administration and Interior Design programs, in addition to programs in apparel design and production, child and family services, merchandising and nutrition. Additionally, Human Sciences' early childhood education students gain more than 1,500 hours of classroom experience through the program and enjoy a 100-percent employment rate.

The College of Arts & Sciences is OSU's largest and most diverse academic college, with options in everything from art to zoology. Its faculty are leaders across the range of 24 fields, representing life, physical and mathematical sciences; fine arts and humanities; social sciences; and media and strategic communication. Undergraduate research, study abroad and internships complement classroom experiences to prepare students for graduate study as well as careers in corporations, government and education. A&S provides university-wide advising for health professions and law.

The Spears School of Business provides the tools for students to pursue their passion. Whether their interests lie in sports, banking, music or designing high technology, business fundamentals learned from each Spears department make these endeavors attainable. One of the Spears School gems is the Center for Telecommunications and Network Security, which houses the National Repository for Digital Forensic Information used by law enforcement officials worldwide. Another is OSU's School of Entrepreneurship, part of a campuswide effort to promote entrepreneurship in higher education.

The College of Education's Career and Technical Education program was recently ranked as the No. 7 such program in the nation by U.S. News and World Report. The college also is one of the few institutions that offers a Four-Year Degree in Aviation. In addition to programs in elementary, secondary and physical education, the college offers degrees in health promotion, recreation management and therapeutic recreation. Through research-based methodology and practical experiences, OSU graduates leave prepared to enrich the lives of others in diverse settings.
OSU’s famed College of Agricultural Sciences and Natural Resources provides students with 16 majors and more than 50 study options. *Its award-winning academic programs focus on careers in science, business, education, engineering, technology, leadership, natural resources and communications.* Faculty and students are recognized nationally and internationally for their achievements in academics, research and community involvement.

The College of Engineering, Architecture and Technology is Oklahoma’s largest such academic college. *Its undergraduate students are among the best in the nation,* as evidenced by their strong performance and numerous championships in national design competitions. *Architecture professionals recently ranked OSU’s architecture school among the nation’s top 20,* the magazine DesignIntelligence reported.

The Honors College

Honors students can enroll in a variety of classes and special seminars taught by top faculty members. As an honors student, you will also receive specialized advising and opportunities for undergraduate research.

Honors students have access to a special computer lab in historic Old Central. They receive extended library checkout privileges and earn priority enrollment starting their second semester.

Honors students also have the option to live in the honors residence hall, Stout Hall. Space is limited.

Information: [okstate.edu/honors](http://okstate.edu/honors)

The Henry Bellmon Office of Scholar Development & Undergraduate Research

This office can enrich your college experience and help you apply for a host of academic and leadership awards, including the Rhodes, Marshall, Mitchell, Gates Cambridge, Goldwater, Truman and Udall scholarships.

In addition to informal advising, a debate and writing skills class and other opportunities, the office provides the following:

**Freshman Research** – an early chance to learn top-notch research methods and receive guided research experience with an OSU faculty member.

**Wentz Research Projects** – a competitive program for undergraduate students who want to continue research at a higher level.

**Wentz General/Leadership Scholarships** – a competitive program for student leaders who are strong academically and involved in community and campus service projects.

**Summer Study in Cambridge, England** – an annual trip for 20 outstanding students to take an OSU course at Magdalene College.

Information: [scholardevelopment.okstate.edu](http://scholardevelopment.okstate.edu)

DID YOU KNOW?

OSU was named a Truman Honor Institution in 2000 for its high number of Truman Scholars and for encouraging students to work in public service. Seventeen OSU students won Truman scholarships from 1977 to 2014.
OSU has prelaw, medicine and veterinary programs if you’re planning on continuing your education in those areas. OSU offers special advising in these subjects, but you can major in whatever discipline you believe best prepares you for your chosen path.

Should you decide to stay a Cowboy, OSU’s veterinary and medical schools are among the best in the nation at what they do.

**THE CENTER FOR VETERINARY HEALTH SCIENCES** is one of the top veterinary schools in the nation. The center features active programs in biomedical research and facilities including a teaching hospital, diagnostic disease laboratory and state-of-the-art infectious disease labs, in addition to a curriculum at the cutting edge of veterinary medicine education.

**OSU’S COLLEGE OF OSTEOPATHIC MEDICINE IN TULSA** has a special emphasis on training rural providers. In addition to osteopathic medicine, it trains students in forensics and research. Its curriculum is student-centered and problem-based, structured around small group learning. Most of its graduates go on to practice in primary care, although others work in a wide range of specialties.

INTERESTED IN MEDICINE OR LAW?
Free tutoring and academic advising is available for all OSU students in any major.

Tutoring services are available from 8 a.m. to 9 p.m. Monday through Friday.

**LEARNING AND STUDENT SUCCESS OPPORTUNITY CENTER** advisers can answer your questions about majors, courses or OSU policies. The center also keeps degree sheets in its offices so you can compare majors. The department also offers courses in study skills and adjusting to college life.

Information: [lasso.okstate.edu](http://lasso.okstate.edu)

OSU offers other services to help you with your coursework.

**THE OSU WRITING CENTER** helps students write at a college level. Tutors staff four campus locations in the Student Union, Edmon Low Library, Agriculture Hall and the Business building.

Appointments can be made online through [osuwritingcenter.okstate.edu](http://osuwritingcenter.okstate.edu), which also has helpful links to writing tools students can use on their own.

**MATHEMATICS LEARNING SUCCESS CENTER** helps students through their math courses. Whether it’s college algebra, Calculus III or differential equations, tutors help students from all academic backgrounds sort out their courses. The center is on the fifth floor of the Edmon Low Library.

Information: [www.math.okstate.edu/misc](http://www.math.okstate.edu/misc)

**THE EDMON LOW LIBRARY** is OSU’s academic heart, pounding with more than 3.4 million volumes, nearly 200,000 government documents, more than 4.5 million microforms and nearly 800,000 electronic books. Students can check out laptops and iPads at the circulation desk or use desktop computers in its first-floor lab. The library is also packed with out-of-the-way places to study.
EAT,

SLEEP
THERE ARE MORE THAN 30 PLACES TO EAT ON OSU’S CAMPUS.
Options range from national franchises to unique offerings from the university. All feature healthy dining choices to keep you eating well. Many of them have choices for students with dietary restrictions.

Each eatery accepts OSU’s five student meal plans structured according to cost and how much students plan to use.

Bursar charges, cash and major credit cards are also accepted.

Many of the food products sold are made in Oklahoma.

Dining locations can be found in residence halls, Adams Market, the Student Union, Edmon Low Library and North Classroom Building.

dining.okstate.edu

MORE THAN 7,400 STUDENTS FROM MORE THAN 100 COUNTRIES LIVE INSIDE OSU’S RESIDENCE HALL SUITES, APARTMENTS AND COMMUNITY-STYLE LIVING AREAS.

All halls are on campus, tobacco-free and have cable and Internet access, in addition to 24-hour security provided by OSU police.

All single-student residence halls have free laundry. There are also apartment options for graduate students as well as students with spouses and children.

Many of the residence halls feature Living Learning Communities of students who share each other’s academic interests or other commonalities. Those include everything from values to academic majors.

Nine-month, summer and 12-month housing options are available.

Units in community-style residence halls and suites are furnished. Apartments are usually furnished, although some at OSU are not. Check online for specifics.

reslife.okstate.edu
The priority deadline for receipt of the Undergraduate Admissions Application for scholarship consideration is Feb. 1 for fall-entering students and Oct. 15 for spring-entering students. Applications received after these dates may not be considered for all scholarship programs and will be considered only if funds remain available. The final deadline for scholarship consideration is July 1.

### Scholarships/awards on this page cannot be combined. Students are awarded the highest scholarship for which they qualify.

ACT and SAT scores are computed without the essay/writing score.

15-Unit Core Curricular Requirements: 4 units of English (Grammar, Composition and Literature); 3 units of Mathematics (Algebra I, Geometry, Algebra II and above), 3 units of History and Citizenship Skills (Must include 1 unit of American History and 2 units from the subjects of history, Economics, Geography, Government, Civics and/or Non-Western Culture; 3 units lab science (Biology, Chemistry, Physical Sciences, Physics or any lab science certified by school district) and 2 units of other courses selected from any of the sections above or computer science or foreign language.

Home Study or Unaccredited High Schools: Graduates must satisfy the curricular requirements and have either a 1090 SAT or a 24 ACT score. Grade-point average and class rank are not used to evaluate students who fall under either category.

These estimates are based on 15 credit hours per semester. Your actual costs will vary. For more specific costs and individual scholarship/financial aid estimates, visit okstate.studentaidcalculator.com.

* Some programs, such as OSU tuition scholarships and Oklahoma’s Promise, pay all or part of the cost of “tuition” only, not “fees.” To determine an estimate of tuition charges separate from fees, go to bursar.okstate.edu.

ALREADY DECIDED OSU IS RIGHT FOR YOU? CONGRATS! STUDENTS IN THEIR SENIOR YEAR OF HIGH SCHOOL CAN APPLY TODAY.

Go to admissions.okstate.edu/apply. OSU uses one application for admission and scholarships.

Students should apply by Feb. 1 for fall enrollment and Oct. 15 for spring to receive priority scholarship consideration.

You'll need:
- Official high school and college transcripts (if applicable)
- Official SAT or ACT scores
- $40 application fee (or fee waiver)

TRANSCRIPTS
Official transcripts can be mailed or hand-delivered to the admissions office at the address listed below.

To be considered official, a transcript must arrive in a sealed envelope from the school, contain an institutional seal OR arrive on official transcript paper AND contain a print date within three months of the date the transcript is received.

Your school may also send your transcript electronically, via fax or by email directly from the school's official email account to admissions@okstate.edu.

OFFICIAL TEST SCORES
If your test scores are listed on your official high school transcript, you do not need to submit them individually.

You can submit your ACT score online actstudent.org/scores/send.

You can submit your SAT score online sat.collegeboard.com/scores/send-sat-scores.

APPLICATION FEE
The fee can be paid online or in person with cash or check made out to Oklahoma State University.

The fee should be mailed or delivered to the address below.

The fee can be waived with ACT, SAT or NACAC waivers. Have your guidance counselor mail your waiver to us at the address listed below, or email it to admissions@okstate.edu or fax it to 405-744-7092.

OSU also grants fee waivers to students on a free or reduced lunch program. If this applies to you, have your counselor send us a letter, email or fax indicating your eligibility.
