YOUR NEXT STEPS
TRANSFER STUDENTS
Welcome to the Cowboy Family

Create your O-Key account

your O-Key account is your passport to campus. You have to set it up before you can access your OSU email account, accept your scholarships and financial aid, sign up for housing, register for classes and more, so it’s important to do this as soon as possible. To set it up, go to okey.okstate.edu, click on O-Key Activation and complete the activation wizard.

For help setting up your O-Key, visit helpdesk@okstate.edu or 405-744-4357.

Check your OSU email at least once a week

Once you have your O-Key account set up, you can access your OSU email account. This is where communication from the University will be sent, including scholarships and financial aid award letters, housing selection notifications and enrollment information, so it’s important to check it at least once a week.

You can access your OSU email through your cellphone or forward your OSU email to an existing account.

Apply for housing

OSU offers three styles of housing: suites, apartments and community-style. There are also several living-learning communities, where you live alongside others who share common interests or fields of study.

You have to set up your O-Key account before you can access your OSU email account, so you should complete the activation wizard as soon as possible. To set it up, go to okey.okstate.edu, click on O-Key Activation and complete the wizard.

For help setting up your O-Key, visit helpdesk@okstate.edu or 405-744-4357.

Complete your FAFSA

To be considered for financial aid and some scholarships, you must complete the FAFSA, the Free Application for Federal Student Aid. Visit fafsa.gov as soon as possible after Jan. 1 and enter OSU’s school code (003170) to ensure we receive your records.

You may be asked to submit additional documents by OSU’s Office of Scholarships and Financial Aid to complete the process. Requests will be sent to your OSU email, so remember to continue checking this account. If you receive a request for additional documents, it’s critical you respond as soon as possible so your potential student aid isn’t affected.
