WAYS TO BE ADMITTED

Comprehensive Review
At OSU, ALL STUDENTS are encouraged to apply because we individually review each application for our holistic and alternative admission programs.

We consider many factors, including high school GPA, ACT or SAT scores, completed application essays, leadership experience, community involvement and accomplishments.

Assured Admission
Students qualify for assured admission if they meet one of the following criteria:

- 3.0 unweighted cumulative GPA or higher AND top 33.3% rank in high school graduating class, OR
- 3.0 GPA or better in 15-unit core AND 21 ACT/1060 SAT or higher, OR
- 24 ACT/1160 SAT or higher.

OSU does not consider the essay component of the ACT/SAT for admission criteria listed above. SAT scores indicated here represent tests taken on or after the national March 2016 test.
We host campus tours every weekday and on select Saturdays along with annual events like OSU Up Close on Oct. 29, 2018, and Senior Day in spring 2019. Learn more and sign up at admissions.okstate.edu. Registration typically opens about a month and a half before each event.
